2018 Secretariat Budget and Work Plan

Draft

SECRETARIAT WORK PLAN

Important activities of the Secretariat in 2018 will continue to be the training and integration of the Beijing and Madrid offices and activities related to the efficient operation of the Secretariat; specific efforts to increase income through increased membership and especially institutes and sponsors, advertising, and congresses. A key activity for 2018 will be a smooth transition process for the Executive Director.

Strategic Plan Goals:

Goal 1: Global Community of Researchers and Practitioners

Publications (Objective 1.1)
